

Follow these instructions to enroll for the AFV Salvage Safety Training online course:

1. Go to <https://openeducation.blackboard.com/site/wvu>
2. Click on the blue “Login” button at the top right corner of the screen.
3. If you already have an Openeducation account proceed to step #7.
4. If you are new to Openeducation.com you can create one by clicking on the “Don’t have an account? Create one now” link located at the bottom of the dialog box.

note: in some browsers, you will need to scroll down within the “Login” pop up to reveal the “Don’t have an account? Create one now” option.

5. Create your Open Education Account using the following:

- a. User Name is your FirstLastname (example: JohnSmith)
- b. Fill out the rest of the form accordingly and click the create account button.

Continue to the next page...

6. You should receive an email with your login instructions.
7. Come back to these instructions and click on **SELF-ENROLL COURSE LINK**
Note: *If the link does not work, copy and paste the following link to your browser's search bar:*
https://openeducation.blackboard.com/webapps/login/?action=relogin&new_loc=%2Fwebapps%2Fblackboard%2Fexecute%2FenrollCourse%3Fcontext%3DINMENU%26course_id%3D_2998_1
8. Login with you newly created credentials and click the "submit" button on the self enrollment page.

The screenshot shows a web browser window with the URL `openeducation.blackboard.com/webapps/blackboard/execute/enrollCourse?context=INMENU&course_id=_2998_1`. The page header includes "Open Education powered by Blackboard" and a navigation menu with "OPEN EDUCATION - END OF LIFE ANNOUNCEMENT", "HOME", "COURSE CATALOG", "INSTITUTIONS", "ABOUT", and "SUPPORT". The main content area is titled "Self Enrollment" and displays the following information:

ENROLL IN COURSE: ALTERNATIVE FUEL VEHICLE RECYCLING SAFETY TRAINING (202001_ALTERNATIVE_FUEL_VEHICLE_RECYCLING_SAFETY_TRAINING)

Instructor: Joseph Nyachae, Julian Orrego
 Description: Training for automotive salvage owners, managers and technicians on how to effectively and safely interact with alternative fuel vehicles, including electric, propane, natural gas, ethanol, hydrogen, and biodiesel. 100% self-paced
 Categories: Education: Higher Education

Click *Submit* to proceed.

At the bottom right, there are two buttons: "Cancel" and "Submit".

9. A self enrollment success page should appear. Click on the "OK" button

The screenshot shows the same web browser window, but the URL is now `openeducation.blackboard.com/webapps/blackboard/execute/enrollCourse?course_id=_2998_1&context=INMENUenroll_user`. The page header and navigation menu are identical to the previous screenshot. The main content area is titled "Self Enrollment" and displays a success message:

Success: Jorrego enrolled in Alternative Fuel Vehicle Recycling Safety Training (202001_Alternative_Fuel_Vehicle_Recycling_Safety_Training). Select **OK** to continue to the course.
 Wednesday, August 19, 2020 5:36:36 PM UTC

At the bottom right, there is a single button: "OK".

You should be enrolled in the course; follow the course instructions and take the course.

If you have issues creating an account or navigating through the course, you can call us at (304) 293-7882 or email us at naftc@mail.wvu.edu
